

In addition to high school students and advisors, individuals can join the local chapter and/or state association as an **Alumni** or **Professional Member**.

Alumni members are individuals who have participated in DECA at the high school or college level and wish to remain involved with the program by paying the appropriate DECA Inc. and chartered association dues.

Professional members are individuals who can become involved with DECA in various capacities to support the local chapter by paying the appropriate DECA Inc. and chartered association dues.

Ways to get involved:

- Serve as a competitive event mentor
- Support the officer/leadership team
- Review written projects
- Judge role play presentations
- Provide insight to the conference experience
- Sponsor a social/service activity
- Chaperone field trips/conferences
- Donate competition preparation materials to the local chapter
